ARRIVAL CEREMONY: KING JUAN CARLOS

YOUR MAJESTY:

IT GIVES ME GREAT PLSR. TO WELCM YOU &
QUEEN SOFIA TO THE U.S.; WE WELCM YOU AS
MONARCH OF SPAIN & AS A CHAMPION OF DEMOCRACY.

YESTERDAY WE CELEBRATED COLUMBUS DAY.

SOME 489 YEARS AGO 3 SHIPS SAILING UNDER THE
SPANISH FLAG, & COMMISSIONED BY KING
FERDINAND & QUEEN ISABELLA, MADE A DISCOVERY
THAT IRREVERSIBLY ALTERED THE COURSE OF
HISTORY & MARKED THE EMERGENCE OF SPAIN AS
A WORLD POWER.

IT IS FITTING THAT ONE WHO TRACES HIS
LINEAGE TO FERDINAND & ISABELLA NOW LEADS
SPAIN INTO A NEW ERA OF DEMOCRACY & FREEDOM.
WE APPLAUD THE SENSIBLE PATH TOWARD POLITICAL
LIBERTY THAT YOU HAVE CHOSEN & THE SKILL &
IF I MAY ADD, PERSONAL COURAGE YOU HAVE
DEMONSTRATED IN REACHING YOUR GOAL.

*originals in
Presidential Handwriting File*

PAGE 2

IN JULY I MET WITH YOUR FOREIGN MINISTER,
JOSE PEDRO -(PEH-REZ YOR-CAH)-, & HE
EMPHASIZED THAT SPAIN IS MOVING TOWARD
JOINING THE MAJOR EUROPEAN INSTITUTIONS.

THIS TOO WE APPLAUD. WE LOOK FORWARD TO
SPAIN'S COMPLETE INTEGRATION INTO THE WESTERN
COMMUNITY OF NATIONS. ALREADY THE SPANISH
GOV'T IS PLAYING A LEADING ROLE IN THE
STRUGGLE TO COMBAT TERRORISM ON THE EUROPEAN
CONTINENT. SUCH INITIATIVE IS WELL
APPRECIATED HERE.

SPAIN'S GROWING PRESENCE CANNOT HELP BUT
STRENGTHEN THE BOND THAT EXISTS BTWN OUR
2 PEOPLES. AM'S WILL NEVER FORGET THE
ALL-IMPORTANT ASSISTANCE SPAIN WAS DURING OUR
STRUGGLE FOR FREEDOM & INDEPENDENCE. SO NOW
WHEN WE OFFER THE SPANISH P. OUR HANDS &
HEARTS, WE DO SO OUT OF GRATITUDE FOR ALL
SPAIN HAS DONE FOR US.

PAGE 3

THOSE OF US FROM THE WESTERN U.S.
UNDERSTAND PERHAPS MORE THAN OTHER AM'S
THE MAGNITUDE OF SPAIN'S CONTRIBUTION.

SPANIARDS EXPLORED THE LENGTH & BREADTH OF
THE SOUTHERN & WESTERN U.S. — SETTLING OR
PASSING THROUGH 16 OF THE PRESENT
STATES OF THE UNION.

MY OWN CALIF. IS A WONDERFUL EXAMPLE OF
SPAIN'S LASTING CULTURAL GIFT. CATHOLIC
MISSIONS STILL STAND IN TESTIMONY TO THIS
MAGNIFICENT CULTURAL & SPIRITUAL CONTRIBUTION
TO THE WORLD. SPANISH ARCHITECTURE IS
EVERYWHERE & CALIF.'S CONSTITUTION WAS WRITTEN
IN 2 LANGUAGES — SPANISH & ENG.

AT MY 1ST INAUGURATION AS GOV. OF CALIF.
I TOOK THE OATH OF OFFICE WITH MY HAND ON A
BIBLE BROUGHT TO CALIF. BY FR. JUNIPERO SERRA—
A SPANIARD WHOSE UNSELFISH DEVOTION TO GOD
IS AN INSPIRATION TO ALL AM'S.

PAGE 4

THESE THINGS & OUR MANY CITIZENS WHOSE FAMILY TREES ARE ROOTED IN SPAIN HAVE HAD A MAJOR IMPACT ON THE AM. CHARACTER. IN 1883 ONE OF OUR GREAT POETS, WALT WHITMAN, COMMENTED ON HISPANIC TRAITS & THE AMERICAN IDENTITY. HE SAID: "NO STOCK SHOWS A GRANDER HISTORIC RETROSPECT — GRANDER IN RELIGIOUSNESS & LOYALTY, OR FOR PATRIOTISM, COURAGE, DECORUM, GRAVITY & HONOR."

TODAY WE KNOW THAT THE TRAITS WALT WHITMAN DESCRIBED A CENTURY AGO WELL CHARACTERIZE THE LEADERSHIP OF KING JUAN CARLOS.

WE WELCM YOU & ARE GRATEFUL FOR YOUR DEDICATION TO YOUR CO. & TO YOUR IDEALS. YOU HAVE THE RESPECT & ADMIRATION OF THE AM. P. YOU HONOR US WITH YOUR VISIT.

STATE DINNER - KING JUAN CARLOS OF SPAIN

YOUR MAJESTIES:

WELCM TO THE W.H. IN THE EPIC POEM
"EL CANTO DE MIO CID," IT IS POINTED OUT THAT
"EL QUE EN BUENA HORA NACIO" — EL CID WAS
"BORN IN A FAVORABLE MOMENT." HISTORICALLY,
HE ACTUALLY CAME INTO A WORLD DESPERATE FOR
LEADERSHIP. WITH COURAGE THAT INSPIRED A
NATION, EL CID — TURNING DESPAIR INTO HOPE &
WEAKNESS INTO STRENGTH — WON A SERIES OF
BATTLES AGAINST THE FOREIGN INVADERS WHO
OCCUPIED MUCH OF SPAIN.

TONIGHT WE HONOR A MAN WHO, LIKE EL CID,
WAS BORN IN A FAVORABLE MOMENT. MANKIND IS
IN DESPERATE NEED OF LEADERS WITH COURAGE &
WISDOM. WE WATCH THE PROGRESS IN SPAIN —
THE MAGNIFICENT STRIDES TOWARD POLITICAL
FREEDOM — WITH A SENSE OF AWE. IN A WORLD
THAT SEEMS TO BE DROWNING UNDER A WAVE OF
AUTHORITARIANISM, SPAIN SHINES AS A BEACON
OF HOPE.

PAGE 2

THIS KIND OF PROGRESS REQUIRES, OF THE PEOPLE & OF THEIR LEADER, A CERTAIN STRENGTH OF CHARACTER NEITHER NECESSARY NOR NATURAL

IN DESPOTIC REGIMES. BUILDING A FREE SOCIETY

IS EVERY BIT AS PERPLEXING, & AT TIMES THREATENING, AS THE STRUGGLE THAT FACED

EL CID. SUCH TIMES AS THESE, & SUCH

CHALLENGES AS THOSE FACING YOUR CO.,

SEPARATE GREAT LEADERS FROM LESSER MEN WHO,

BY CIRCUMSTANCES, FIND THEMSELVES IN

POSITIONS OF POLITICAL POWER.

KING JUAN CARLOS, QUEEN SOFIA & THE SPANISH P. HAVE RISEN TO THE TASK GOD HAS PLACED BEFORE THEM, & THE WORLD IS BEING GIVEN A MAJESTIC GIFT: A TRULY FREE & PROSPEROUS SPAIN.

PAGE 3

OVER THE CENTURIES SPAIN HAS CONTRIBUTED
SO MUCH. WHETHER ONE TALKS OF THE GREAT
CERVANTES & THE DEVELOPMENT OF MODERN
LITERATURE OR REFERS TO THE PAINTING OF GOYA
OR EL GRECO, CLEARLY SPAIN HAS PROVIDED
WESTERN CIVILIZATION WITH A MULTITUDE OF
PRICELESS GIFTS. NOW KING JUAN CARLOS WITH
THE COURAGE OF EL CID & THE SKILL OF THE
GREAT SPANISH MASTERS IS CREATING A
MASTERPIECE OF DEMOCRACY.

IN AM. WE RECOGNIZE THAT EVEN WITH THE
PROPER LEADERSHIP, A NATN MUST HAVE GREAT P.
TO MAINTAIN LIBERTY. AND IN THE CASE OF
SPAIN, WE HAVE TOTAL CONFIDENCE. TONIGHT
I ASK YOU TO JOIN ME IN A TOAST TO KING
JUAN CARLOS, QUEEN SOFIA, & TO THE P. OF SPAIN.
MAY THEY LIVE IN THE PEACE & FREEDOM
BENEFITTING SUCH A GREAT PEOPLE.

#

DEPARTURE OF KING JUAN CARLOS

HIS MAJESTY JUAN CARLOS & I HAVE JUST COMPLETED A STIMULATING & INSTRUCTIVE SESSION OF TALKS DURING WHICH WE TOUCHED ON SOME OF THE MOST CRITICAL INTERNATIONAL ISSUES OF THE DAY.

WE DISCUSSED THE EAST-WEST SITUATION & THE IMPORTANCE OF FORGING EVEN CLOSER WESTERN UNITY & COHESION IN THE FACE OF A DETERMINED SOVIET CHALLENGE.

WE SPENT CONSIDERABLE TIME COMPARING NOTES ON THE MIDDLE EAST & THE INTEREST WHICH OUR 2 COUNTRIES SHARE IN PROMOTING PEACE & STABILITY IN THAT TROUBLED REGION, SO RECENTLY SHAKEN BY THE TRAGIC DEATH OF EGYPTIAN PRES. SADAT.

WE TALKED ABOUT LATIN AM. & THE CARIBBEAN BASIN — AN AREA WHERE, OWNING TO THE WEALTH OF HISPANIC CULTURAL & HISTORICAL TIES, SPANISH INSIGHTS ARE ESPECIALLY VALUABLE.

PAGE 2

MOST IMPORTANT, MY TALKS WITH HIS MAJESTY MERELY CONFIRMED WHAT I & MILLIONS OF MY FELLOW AM'S ALREADY KNEW: SPAIN HAS A WISE & COURAGEOUS CHIEF OF STATE WHOSE LEADERSHIP IN DEVELOPING HIS COUNTRY'S DEMOCRATIC INSTITUTIONS HAS EARNED THE WORLD'S PROFOUND RESPECT.

YOUR MAJESTY, I TAKE THIS OPPORTUNITY TO REITERATE IN PUBLIC WHAT I HAVE EXPRESSED TO YOU IN PRIVATE: THE U.S. ENORMOUSLY ADMIRES THE STRIDES WHICH YOU & YOUR COUNTRYMEN HAVE TAKEN TOWARD CREATING A VITAL & VIBRANT DEMOCRACY IN SO SHORT A TIME. IN FULLY SUPPORTING THAT DEMOCRACY, WE CONSIDER SPAIN NOT ONLY A MAJOR STRATEGIC PARTNER BUT A CLOSE FRIEND. WE LOOK FORWARD TO WORKING EVEN MORE CLOSELY WITH YOUR GOV'T AS SPAIN CONTINUES TO PURSUE FULL INTEGRATION WITH EUROPE & THE WEST.

PAGE 3

I SPEAK FOR ALL AM'S WHEN I SAY THAT I
HOPE YOU & YOUR GRACIOUS QUEEN WILL SOON
RETURN TO OUR SHORES. YOU WILL BE
PARTICULARLY WELCM NOT ONLY HERE IN WASH. BUT
IN THOSE MANY PARTS OF OUR CO. WHERE SPANISH
CULTURE & LANGUAGE HAVE CONTRIBUTED SO
ENDURINGLY TO OUR OWN HISTORY & HERITAGE.

ADIOS & BUEN VIAJE!

Essentially, this will be a listening session for you.

Attachment: Talking points

Talking Points

Thank you, Al, for the magnificent job you did during the campaign. The percentage of Jewish votes I received was tremendous by any standards and it was largely due to all the fine work done by you and your colleagues.

I value your advice and counsel and am hopeful that I can rely on you both now and in the future to keep me well informed.

I understand you have some concerns about our relationship with the Jewish community as a result of the AWACS issue and so I'd like to hear them.

TAPING: ABC TELEVISION AFFILIATES

First let me send my best regards to the ABC affiliates I'm reaching by means of this wonder called video-tape. As you know, through television Americans can follow history as it happens -- TV brings us the triumphs and, unfortunately, the tragedies of life as well. It is hard for most of us to imagine being cut off from this important flow of information.

This year marked the first time that some 16 million hearing-impaired Americans had the opportunity to share in the televised inauguration of a president. This miracle was the result of closed captioning. I feel very honored to be the first president in history to have spoken directly to people who never before had experienced this historic tradition.

Since the Inaugural, the National Captioning Institute and the American Broadcasting Companies have cooperated in making my televised speeches available to the hearing-impaired through captioning. Through closed captioning the large segment of our population who are hearing-impaired will continue to have access to the governmental process at work. This interaction is at the heart of our democracy.

Listen to what a teacher of the hearing impaired at the Rochester School for the Deaf had to say. "For some of our students, this was their first inauguration. For all of us hearing impaired people, it was the first time we really

knew what was happening. I have seen every inauguration since John F. Kennedy, but this was the first one I really took part in and I cannot explain the feeling of it all."

Closed captioning has opened new avenues of understanding and participation to those who previously were isolated. I wanted to take this moment to thank you for your efforts and urge your continued support of closed captioning. Pass the word^{*} and best wishes.

TAPING: BARRY GOLDWATER TESTIMONIAL DINNER
OCTOBER 13, 1981

Good evening ladies and gentlemen and good evening to you, Barry. I wanted to be present this evening but wasn't able to do so because of other commitments. However, I do want you to know I'm with you in spirit and I'm pleased to join with many of your other friends who are here tonight, to say thank you for a life full of public service. We honor you tonight for the great contribution you have made to the American political system over three decades.

I can't begin telling those of you with Barry tonight what an important role he has played in all the dramatic new legislation that has passed in the Congress during recent months. As you know, Barry has a reputation for being shy and indecisive on the issues . . . well, just kidding . . . I thought you'd like to know that Barry is still that pretty rare thing in Washington, a powerful and important influence for what's right.

But I have to admit that I'm glad for another reason that Barry's here in Washington -- I've finally found an elected official who admits to being older than I am.

Let me just say that like many of you in the room with Barry Goldwater tonight, my first formal entry into National politics, Republican National politics, was for a man who would become known as a prophet in his time.

Barry Goldwater walked alone in 1964 on the strength of his principles and the strength of his character. He warned us then about the growth of Government, about the drain of the public sector on our economy. He talked about the stifling of individual initiative and that can-do spirit that had made us a great Nation.

Barry Goldwater's lonely voice warned us too that crime in our streets would become an epidemic in America. He warned us too that the Soviet Union had to be taken seriously, that their designs for global domination would be vigorously and aggressively pursued.

Barry, you've often heard me say that none of the new directions and exciting changes we see in Washington today would have been possible without your willingness to walk the lonely road you walked 17 years ago.

In my mind's eye, I can still see you at the hot July night in San Francisco as you reminded us of our National heritage, of how far we had come together. you told us we still possessed the strength and national will to set, as you put it, "the tide running again in the cause of freedom."

You said we must persevere in our dedication to our principles and our ideals "until our cause has won the day, inspired the world, and shown the way to a tomorrow worthy of all our yesteryears."

Well, Barry, that tomorrow is here -- we are making America great again. And you should know tonight what millions of Americans feel in their hearts toward you . . . and what history will someday record: that it was a tall tan Arizonian with rock hard principles that showed us the way and made all of it possible.

Goodnight ladies and gentlemen and congratulations to you Barry, and for all of us thank you.

TAPING: BROADCAST MAGAZINE, OCTOBER 13, 1981

Good evening to you who have gathered for Sol Taishoff's 50th anniversary dinner, and a special good evening to you Sol. And, Sol, put that pen down; you're not working this evening.

I've often thought that no sooner had Marconi sent the first radio message than his secretary must have rushed into the room and said, "Mr. Marconi, there's a Sol Taishoff of Broadcasting magazine here to see you."

Broadcasting magazine has always been there to cover the industry it is named after. It has chronicled the explosive growth of a industry that changed the world more than any of us, except perhaps for Sol, could foresee. The man we are honoring tonight has covered this revolution -- nearly from the beginning. He reported on its successes and failures, comings and goings, its present and its future. And he told us what Washington was doing for us -- or more often, to us.

For those of us in the business, Broadcasting was our professional book and bible. I know there are those of you who at some time in your careers read Broadcasting not only front to back but also back to front -- turning first to the very end and the classified pages that held the jobs.

Broadcasting was one of the first national magazines to take notice of my own career -- back in 1937, when its April 15

issue reported that a "Dutch" Reagan was leaving his sportscasting job at WHO in Des Moines to go to work for Warner Brothers in Hollywood. Photography had been invented by this time, and accompanying my announcement was a picture of a 26-year old fellow trying to look terribly urbane holding a pipe in his hand.

But Broadcasting has not only reported on the events of the industry, it has spoken out forcefully when the broadcast media's first amendment rights were threatened. It has shaped industry opinion on the vital communications issues and, of course, does to this very day.

Sol, I'm sorry I can't be there in person this evening, but perhaps it's all the more appropriate that I'm coming to you through the miracle of broadcasting. And this way, well, if I go on too long, you can always unplug me.

But before I go, I know I speak for everyone in broadcasting whether they are with you at the Hilton or keeping the industry on the air right now, in thanking you for what you have done over the last half century, and in wishing you the best in the years ahead. So let me sign off by just saying, "This is Dutch Reagan, WHO, Des Moines. Good night and God bless you."

TAPING -- ORANGE COUNTY CHAMBER OF COMMERCE
OCTOBER 13, 1981

To those of you assembled in the Anaheim Convention Center at the 19th Annual Economic Outlook Conference, a warm and sincere welcome. This is like talking to old friends. Some of you may remember, my original announcement to run for Governor of California was made at one of your meetings.

It is certainly gratifying to know that the title of this prestigious economic outlook conference is, "A New Beginning."

Your conference is an excellent example of the private and the public sectors working together to promote economic progress. I understand that it is sponsored by the Orange County Chamber of Commerce in cooperation with the U.S. Small Business Administration and the U.S. Department of Commerce.

A special greeting to Art Kelly of the U.S. Chamber of Commerce and Luke Williams, Chairman of the Board of National Association of Manufacturers. They and the organizations they represent have done so much to help over the last few months.

As you know, we've made progress; but it truly is -- only a beginning. Correcting problems that have been building for decades doesn't happen overnight. Right now, in fact,

we're just catching our second wind. We intend to keep coming back to the Congress with proposals to trim spending, taxes and excessive regulation until economic recovery is secure.

Jefferson is attributed in saying eternal vigilance is the price of liberty. He wasn't talking just about foreign threats. With your continued help, we must and will remain vigilant about Federal spending, taxation and regulation. For these things are as great a threat to the Freedom of our country as any foreign enemy.

The Founding Fathers never thought Government should dominate society, but that is exactly what has been happening, especially during the last decade. Unelected regulators in Washington ended up with authority over things that should be handled by locally elected officials, as well as authority over areas which were not the proper province of Government in the first place.

This centralization of power snowballed in the final years of the last decade, threatening both liberty and prosperity. I don't have to tell you. Inflation robbed us of our savings and of our standard of living. Unemployment jumped to 8 million. Interest rates shot through the roof.

At the same time, our people exhibited pessimism totally inconsistent with the American character. I'm happy to point out today that we've turned that situation around.

Wall Street may have had the jitters, but the American people have never been more supportive.

During our fight on Capitol Hill, I went to the people 5 times to enlist their support. Each time they responded with an avalanche of phone calls, letters, and telegrams that tipped the balance. Many of you did your part. I want you to know how appreciative I am for that support -- you were the crucible factor. And the help offered by your fine organization was indispensable.

The economic program only went into effect a little under two weeks ago, but you should know I am as confident about it today as when it was proposed. There were those who were claiming it wasn't working, even before it went into effect. Of course, they never supported the program in the first place. That is the kind of thing that happens every time one tries to get something done.

Remember when oil was decontrolled back in January? There were those who condemned that too. Since then we've witnessed the biggest spurt in oil exploration in the Nation's history. And in an astonishing reversal, oil production in the lower 48 States has just increased for the third month in a row.

Just as important is Vice President Bush's drive against excessive regulation. He has mobilized people in every department and agency. By the end of our first year, he will have cut the number of rules and new regulations in half.

These things are in the process of having a lasting impact on our economy. It won't happen overnight, but if we stick to our guns, we will again have the kind of vital and expanding economy that is every American's birthright.

I am grateful to you for allowing me to spend this time with you. I know if I could see your faces, I would feel like I was speaking to a family reunion. I wish you success in your meetings out there in beautiful California. You can bet my heart is with you. Good by and Good luck.
