MEETING WITH SENATE MAJORITY LEADER  
HOWARD BAKER (R-TENNESSEE) AND HOUSE  
REPUBLICAN LEADER BOB MICHEL (R-ILLINOIS)

DATE: Thursday, November 18, 1982

LOCATION: The Oval Office

TIME: 10:00 a.m. to 10:45 a.m.

FROM Kenneth M. Duberstein *KMD*

I. PURPOSE

To review the election results, discuss the legislative agenda for the lame duck session as well as the 98th Congress, and to consult with these Republican leaders on your basing mode decision for the MX missile.

II. BACKGROUND

Senate Majority Leader Howard Baker has suggested that you meet privately with him and House Republican Leader Bob Michel to review the 1982 elections and to discuss the legislative agenda for the lame duck session as well as the program for the 98th Congress. Recognizing that we face some tough issues in the weeks and months ahead, and that the mood of the new Congress may be somewhat more "independent" than in the last two years, Baker and Michel feel that a candid discussion with you could be helpful in developing some guidelines to avoid unnecessary confrontations with the Congress.

You should anticipate questions with regard to your legislative agenda for the lame duck as well as next year. Specific items of immediate concern likely to come up are the budget, defense spending levels, the possibility of a gas user fee, jobs and unemployment. Both Baker and Michel have also expressed concern about the need for advance consultation with Congressional leaders on the budget. They want to avoid a situation where you send a budget up to Congress, only to have it pronounced "dead on arrival".

Early next week, you will announce your decision with respect to the basing mode for the MX missile. This could encounter some stiff resistance on the Hill, and it is imperative that you have the backing of Congressional leaders. You should consult with Baker and Michel on the basing issue, as you have with House and Senate defense leaders over the past few days.

III. PARTICIPANTS

The President  
Senate Majority Leader Howard Baker (R-Tennessee)  
House Republican Leader Bob Michel (R-Illinois)

Staff

James A. Baker III

IV. PRESS PLAN

White House photographer only.

V. SEQUENCE OF EVENTS

Baker and Michel to arrive Southwest Gate, enter the West Basement and be escorted to the Oval Office for a 45-minute meeting with the President.

SUGGESTED TALKING POINTS FOR MEETING WITH SENATE  
MAJORITY LEADER HOWARD BAKER (R-TENNESSEE) AND  
HOUSE REPUBLICAN LEADER BOB MICHEL (R-ILLINOIS)

- Howard, Bob - good to see you. Bob, glad to have you back. (Michel had a tough campaign in Illinois' 18th District and won with 52% of the vote).
  
- I'm glad we can take this opportunity to visit before Congress returns for the lame duck. We have a number of critical issues coming up and I'm anxious to get your input. Hope you'll be candid.
  
- Before we get into the legislative agenda generally, I would like to consult with you on the matter of the MX missile basing mode. (Expanded MX talking paper attached).
  - I'm leaning toward CSB - reaction?
  - Any advice re timing of Congressional debate on basing mode?
  - Expect any action on MX during lame duck (Senator Hollings claims enough votes to kill MX)?
  
- In terms of the lame duck session, I hope Congress will finish the appropriations bills and act on Caribbean Basin Initiative, Clean Air, Radio Marti and Nuclear Waste Disposal. Also, I understand we need to act on the Bankruptcy Judges bill by December 24. Howard, there are several nominations I'd like to see approved and my staff will make sure you have a current list of these.
  
- Other issues I'd like to see approved: Maritime Reform, Enterprise Zones, Immigration, Regulatory Reform and the Senate-passed crime bill.

(Talking Points for Baker/Michel, cont.)

-- On the budget - I'm meeting with advisors, no decisions yet. I understand things will be tougher on the Hill this time. We've worked well as a team in the past two years, and I appreciate your help. Now I'd like to get your assessment of the legislative landscape in light of the elections and your input on the budget.

(General discussion - Baker and Michel may say they anticipate little action in lame duck - elicit their views on the "mood" of the new Congress and the Democrats' agenda).

- Baker knows you will be making a speech soon on nuclear arms. He has a strong interest in this issue and wants to give input.
- This session has been helpful to me and I appreciate your candid counsel. We'll keep in touch - I want to work closely with you. Thanks for coming down.
