BRIEFING PAPER FOR THE PRESIDENT

MEETING: HARRY WALTERS, ADMINISTRATOR
VETERANS ADMINISTRATION

DATE: , JULY 27, 1983

TIME: ' 10:00 A.M. (15 MINUTES)

LOCATION: OVAL OFFICE

FROM: CRAIG L. FULLER

I. PURPOSE

Harry Walters will bring with him representatives of the Veterans of Foreign Wars (VFW). They are coming in to hear you tell them that you would like to participate in their meeting on August 15, 1983.

II. BACKGROUND

The VFW has requested that you attend their national meeting each year and it has not been possible for you to participate. This year we have had the matter under consideration for some time and were trying to accommodate their request. They were lead to believe that we had ruled out any participation in their event and they sent word that they were upset that you were not coming.

Harry Walters has done a fine job maintaining contact with the VFW's leaders. While they are a bit upset with "your staff" they are delighted that the possibility exists that you will now attend the event.

III. PARTICIPANTS

- Ed Meese
- James Baker
- Craig Fuller
- Larry Speakes
- Harry Walters, Veterans' Administration
- Cooper Holt, VFW
- James Currieo, VFW

V. SEQUENCE

Once the participants are seated, you should indicate to the VFW members that you want them to know that recent reports that you would be unable to attend the VFW meeting were greatly exaggerated; in fact, you would like to come and meet with the group on Monday, August 15th.

It is my understanding that the VFW will welcome this and will ask you to speak to their group on August 15th at 10 a.m. The VFW representatives will also mention their interest and support of your Central American policies.

WASHINGTON

MEETING WITH SELECTED MEMBERS OF THE HOUSE OF REPRESENTATIVES
ON INTERNATIONAL MONETARY FUND LEGISLATION

Date: Wednesday, July 27, 1983
Location: The Roosevelt Room
Time: 11:00 a.m. (30 minutes)
From: Kenneth M. Duberstein *KMD*

I. PURPOSE

To firm up Congressional support for the IMF legislation.

II. BACKGROUND

The bill to authorize an increase of American participation in the International Monetary Fund by \$8.4 billion (H.R. 2930) is scheduled to be considered on the House Floor this week. Following the President's meeting with House Banking Committee Chairman Fernand St Germain (D-Rhode Island) and Committee Ranking Republican Member Chalmers Wylie (R-Ohio) on June 14, 1983, efforts were intensified to clarify the vote situation in the House.

It is felt that the President's meetings with selected House Republicans on July 14 were very constructive. However, the level of support for the IMF quota increase still is at a very low level among House Republicans. This additional meeting is recommended to enable those who remain undecided to have direct contact with the President prior to the vote.

III. PARTICIPANTS

See attached list.

IV. PRESS PLAN

V. SEQUENCE OF EVENTS

President will make opening remarks, followed by remarks by Secretary Regan, then open discussion with Congressional participants.

SUGGESTED TALKING POINTS FOR MEETING WITH SELECTED HOUSE MEMBERS
ON IMF

- I want to emphasize the importance I attach to prompt passage of legislation providing for the U.S. share -- \$8.4 billion -- of an internationally agreed increase in the resources of the International Monetary Fund (IMF).

- The Senate has passed both an authorization and appropriation for IMF. It is essential that this legislation be enacted now to protect against further instability in international financial markets which could erode our own recovery.

- Leaders of other industrialized nations and I agreed at Williamsburg on a comprehensive strategy for dealing with international economic and debt problems. The IMF quota increase is pivotal to that strategy. It can't work effectively without these additional resources, which must be in place before the end of the year.

- We all have an important stake in the maintenance of a stable world economy. A sound international financial system is essential to U. S. economic recovery and is vital to U.S. foreign policy and security interests.

-- I need your support of this IMF legislation. I'm counting on House Republicans to make sure this bill passes.

-- I am anxious to hear from you on this, but before I do, Don Regan would like to say a few words.
