MEMORANDUM FOR DICK DARMAN

FROM: KEN DUBERSTEIN *Ken D.*

Attached is biographical information on the members of Congress who will be participating in portions of the activities in which the President will be involved in San Diego on Friday, August 26.

Congresswoman Bobbi Fiedler will travel on Air Force 1 from Los Angeles to San Diego with the President. Congressmen Duncan Hunter, Bill Lowery and Ron Packard will meet the President at the airport and all 4 members will join the motorcade to the Bahia Hotel. These members will not accompany the President when he returns to the airport; they will depart the hotel independently.

CONGRESSMAN RON PACKARD
(REPUBLICAN - CALIFORNIA)

Congressman Packard represents the 43rd District of California which includes Carlsbad (where he previously served as mayor), and parts of San Diego.

Presently serving his first term, Congressman Packard won election as a write-in candidate, becoming only the second Congressional candidate since 1958 to successfully run as a write-in.

Packard sits on the Education and Labor and Public Works and Transportation Committees. He has been a consistent supporter of Administration policies.

Congresswoman Bobbi Fiedler (R-CA) Ms. Fiedler represents the twenty-first district of California which includes the community of Northridge and part of Ventura County. Congresswoman Fiedler is a sophomore serving on the House Budget Committee. Although she recently opposed the IMF replenishment, she has actively and effectively supported the President's program. Ms. Fiedler is currently turning her attention to women's issues in an effort to narrow the gender gap. She has met with the President and various White House officials to discuss these issues.

CONGRESSMAN DUNCAN HUNTER
(REPUBLICAN - CALIFORNIA)

Congressman Hunter represents the 45th District of California, which includes Coronado and parts of San Diego, and is presently serving his second term in Congress.

Duncan sits on the House Armed Services Committee and has been a consistent supporter of Administration policies, especially on defense and Central American issues. He currently serves as the Republican Sophomore Class President, and has asked the President to help raise money for members of his class who were defeated, but are considering running again.

CONGRESSMAN BILL LOWERY
(REPUBLICAN - CALIFORNIA)

Congressman Lowery represents the 41st District of California, which includes parts of San Diego, and is presently serving his second term in Congress.

Congressman Lowery sits on the Banking, Finance and Urban Affairs and Science and Technology Committees. He has been a strong supporter of Administration policies.

Bill and other San Diego Members have been concerned about pollution problems created by sewage from Mexico. This was to be discussed during the recent meetings with President de la Madrid.
