Washington D.C.

Dear Mr. President-

I am writing to urge you to support and push the nomination of Helen Marie Taylor to serve on the board of Corporation for Public Broadcasting.

We understand her nomination has been blocked because of politics. Don't allow this to happen. We urgently request and insist that she be nominated to the board of CPB immediately.

It is very important that people be on that board who are God inspired, and support programs worthy of the American traditions and suitable for Christian family viewing.

May God continue to inspire and guide you in every decision you make and provide support for those decisions.

With our continued prayers,

Mrs. Robert Fitzpatrick

Dear President,

My family and I really do appreciate your recommendation to support Helen Marie Taylor to serve on the board of the Corporation for Public Broadcasting (related to the operation of the Public Broadcasting System - PBS).

Her nomination is so very important to this board. This country needs much more wholesome, constructive, tradition-value oriented television. She is an ideal person to serve on the CPB board, and has all the necessary qualifications. Her 2 U.S. Senators John Warner and Paul Trible both support her fully. She and her husband generously support traditional, family-oriented causes.

Would you please attempt to eradicate the petty politics delaying Helen Taylor's nomination to the board of CPB? It's essential to our country.

With Sincerely,

P.S. You're doing a fine job as President.

Dear Mr. President,

I am writing to you in
behalf of Helen Marie Taylor
who you recommended to serve
on the board of the Corporation
for Public Broadcasting. As
you know, her nomination has
been blocked because of politics,
Mrs. Taylor is a wholesome,

She is ideal for the position
and has all the qualifications.
She has the support of both
of our Senators from Virginia.
Both Senator Warner and Senator

Mr. President, we deeply

need someone on this board that represents the traditional value system. With \$139,000,000 taxpayer's money at stake, I know we deserve Mrs. Taylor to represent us.

Sir, I plead and beg you to use everything in your power to see that Mrs. Helen Marie Taylor serves on the Corporation of Public Broadcasting. It would really help America. I have the faith in you that you will.

I thank you, Sir, for being the best President I have ever voted for.

made it clear that there is no place in this house
