The President
The White House
Washington, D.C. 20500

Dear Mr. President:

The Young Republican National Federation is sponsoring its 53rd annual Leadership Conference at the Capitol Hill Hyatt Regency, March 15 through 18, 1983. As part of the Conference, I would request that the Young Republicans in attendance be able to visit the White House for an afternoon reception either March 15th or 16th. This was done a few years ago under your administration and it was a memorable time for all who attended.

The Young Republicans will again be working hard toward your reelection. Because Young Republicans historically have and will continue to provide the manpower for grass roots campaigning, the theme of our Leadership Conference will be "Back to the Basics." We will provide a series of "how to" workshops dealing with voter registration and turnout, precinct organization, phone banks, campaign media and numerous other seminars which will benefit the 600 to 800 participants at the Conference.

Mr. President, I can think of no greater honor than for these dedicated Young Republicans to be allowed the opportunity to visit with you at the White House. You have provided tremendous leadership for these young people, many of who became active in Republican youth politics due to your inspiration.

I will provide all the necessary security information for the attendees in advance as well as take care of any other details required for a visit to the White House.

On behalf of the Young Republicans and me, thank
you for your kind attention to this request.

With best wishes, I remain

Yours very truly,

STEPHEN R. CLARK
