WASHINGTON

January 10, 1984

MEMORANDUM TO: MARY ANN MELOY

FROM: Morton C. Blackwell 

SUBJECT: Regional Briefings on Central America

Thank you for getting your listing of suggested invitees to me for the proposed regional briefings on Central America.

At the present time, we have had to postpone both the Hartford and Philadelphia briefings due to the loss of our speakers. (The Congress is holding hearing on Central America and they are presently scheduled for January 25th; therefore, our principal speakers are going to be otherwise occupied.)

I pass this information to you in case you would want to advise some of those whose names you submitted to us of the change.
