Dear Mr. & Mrs. Reagan,  
I hope you are recovering well. I was shocked hearing about the accident that happened. Our Vice Principal announced it to us over the speaker. I'm so glad your OK. It scared me at first. I would like it if you would send me a letter with a picture of the both of you with your autographs on it, to place in my room.

You probably don't

I also have a sister

some commercials made.  
The owner of that studio  
is Richard Sheehan. You

Dear Mr. Reagan

I think you are the best president the U.S. has ever had. I can't imagine why anyone would want to kill you. I am glad you are making great progress and I hope Jim Brady, Tim McCarthy and Tom Delahanty are doing ok. I love to watch your speeches on the news and listen to your humorous jokes. You are a great man and I wish you the best of luck in doing more things for the U.S.
