Dear Bill:

My staff told me about your journey to Washington to deliver the resolution adopted by the Texas A&M Student Senate, and I want you to know how grateful I am. You were more than kind to do this, and I am very sorry that our schedules didn't mesh so I could shake your hand once more.

Again, my thanks and warm personal regard.

Sincerely,

RONALD REAGAN A

Ronald W. Reagan
President of The United States

21 May 1981

Mr. President:

We hope that you will kindly understand the tardiness with which this document arrives, for it could only be passed by the Student Senate in full session. Our earliest meeting after the tragedy of March 30 was May 6. On this date, the resolution passed on the first ballot by general consent.

We are thankful that God Almighty has blessed you with a quick recovery and return to your duties as President of The United States. The memory of your visit to our campus in the fall of 1978 is still vivid in the minds of the student body of Texas A&M. We were greatly honored by it, and hope for your return to Texas A&M on the way to your next inauguration as President on January 20, 1985.
