Dear Mr. Mell:

This is in response to your Freedom of Information Act request for a copy of the investigation report prepared by the Federal Bureau of Investigation on Alfred S. Regnery.

The White House Office, which received the report of the FBI on Mr. Regnery in connection with his nomination as Director of the Office of Juvenile Justice in the Department of Justice, is an entity "whose sole function is to advise and assist the President" and, as such, is not an "agency" subject to the Freedom of Information Act. Kissinger v. Reporters Committee for Freedom of the Press, 445 U.S. 136, 156 (1980). Accordingly, we must respectfully decline to comply with your request.

THE WHITE HOUSE

WASHINGTON

May 23, 1983

FOR: FRED F. FIELDING  
FROM: SHERRIE M. COOKSEY *smc*  
SUBJECT: FOIA Request for the  
Regnery FBI Report

Doug Mell, a reporter for the Wisconsin State Journal, has requested, pursuant to the Freedom of Information Act, a copy of the FBI investigation report on Al Regnery that was made in conjunction with Regnery's nomination.

Attached for your review and signature is a letter to Mell advising that the FBI report he requests was submitted to the White House Office which is not an "agency" subject to the FOIA and thus we respectfully decline to comply with his request.

I considered, but rejected, the idea of suggesting to Mell that he make his FOIA request to the FBI. This idea was rejected because I did not want to do Mell's thinking for him and the FBI, pursuant to the Privacy Act, will not provide this report to Mell without Regnery's permission anyway.

Re: Freedom of Information Act Request

Gentlepeople:

I am in the midst of a research project which includes a section on the attempted assassination of President Reagan on 30 March 1981. It would be very helpful if we were able to review the photographs taken by White House photographers on that day--especially those of Michael Evans. We have previously written about these materials but have had no response.

Therefore we invoke the Freedom of Information Act and request copies of the above-referenced photography--contact sheets will be just fine.

We also invoke the section of the FOIA which allows the furnishing of these materials at no charge because their use will primarily benefit the general public.

Thank you very much.

Dear Senator Percy:

This is in response to your letter dated April 14, 1983, to Judge Clark, regarding a request for fee waivers on a Freedom of Information Act request.

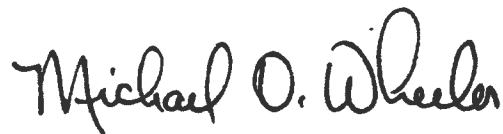

A search conducted by our Freedom of Information Office revealed no record of the request from Mr. Michael Posner or the organization he represents. In addition, there were no denials of fee waivers at all during the month of February 1983.

The National Security Council FOI Office is understandably very proud of its record in handling FOI requests.

It is most likely that the requestor or your staff has confused this organization with the National Security Agency.

The above information was conveyed to Ms. Margaret Hayes of your staff by telephone on April 26, 1983, and we assume she will be contacting the appropriate agency concerning this matter.

Sincerely,

Michael O. Wheeler

WITNESS  
SITUATION ROOM

The Honorable William P. Clark  
Assistant to the President  
for National Security Affairs  
The White House  
Washington, D.C. 20500

Dear Judge Clark:

I have received correspondence from Mr. Michael H. Posner, Executive Director of the Lawyers Committee for International Human Rights in New York, who indicates that on January 17, 1983, the Lawyers Committee requested information collected by the National Security Council on the case of the churchwomen who were killed in El Salvador in December, 1980. The Lawyers Committee had asked that the estimated \$250 fee for processing information be waived, but they were told on February 7, 1983, that the waiver request had been denied because the request was not "considered as primarily benefiting the general public."

Surely the public attention that has been given to this case and the very widespread concern it has raised warrants a waiving of this fee in order that families of the four churchwomen may be assured that all information that might be pertinent to the prosecution of the case has been made available. As you know, the seemingly tedious movement of events in this case is one of the issues that makes our discussion of political developments in El Salvador very difficult. Surely a decision to waive a small fee for processing information would be a positive sign from the Administration of its deep concern that this case be resolved as expeditiously as possible.

I hope that you might suggest to the Freedom of Information Office that the decision to waive the fee for processing information relevant to the case of the murder of the four American churchwomen would certainly be a decision "benefiting the general public."

I look forward to hearing from you on this issue.

Sincerely

Charles H. Percy  
Chairman

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

June 3, 1983

FOR: FRED F. FIELDING

FROM: SHERRIE M. COOKSEY *smc*

SUBJECT: FOI/PA Request of Glen Jeansonne

The Chief of the FBI FOI/PA Section has referred to you one White House document found in FBI files that is responsive to the above referenced Freedom of Information request, and has requested your views regarding the release of such document to the requestor.

The document is a memorandum from David Niles, Administrative Assistant to President Truman, to J. Edgar Hoover enclosing a letter he has received from an individual who apparently was concerned about the protection of President Truman. Niles notes in his referral memorandum to Hoover that the correspondent quotes from Gerald K. Smith's magazine "The Cross and Flag"; Niles then states his opinion that Smith's attacks on him are libelous. These documents are responsive to the Jeansonne FOIA request because that request is for "each document or other record relating directly or indirectly to the involvement of Gerald L.K. Smith in "The Cross and the Flag", 1942-1976.

None of the exemptions from disclosure under 5 U.S.C. § 552(b) are applicable to the documents in question. The "inter-agency memorandum" exemption, 5 U.S.C. § 552(b)(5), would not protect this document because it does not appear to be a deliberative or pre-decisional memoranda, and it does not appear to be an attorney-client document. Similarly, standing alone, the document does not appear to fall within the law enforcement investigatory records exemption of 5 U.S.C. § 552(b)(7). Accordingly, I believe we must allow this document to be released in response to the above referenced request.

Attached for your review and signature is a memorandum to the Chief advising that we have reviewed the document referred to us and have no legal objections to its release to the requestor.

MEMORANDUM

FOR: HONORABLE J. EDGAR HOOVER

Dear Ed:

The enclosed letter may merit your interest.

You will note that she quotes from Gerald K. Smith's magazine, "The Cross and The Flag". Mr. Smith has been using the last two issues to revive the usual attacks on me, and I understand that in his next issue, he will have another attack. I do not know what to do about them. The statements are ~~all~~ libelous, and on the other hand, it seems best to give him the silent treatment.

I would like to talk to you about it sometime.

Mr David K. Niles

Dear Sir --

After due consideration I have decided to write this letter.

First of all please understand Mr. J. Edgar Hoover head of F.B.I. knows all about me.

So you won't get the idea that some crank wrote this. Mr. Niles I don't recall your name having read it anywhere until the June issue of Cross and Flag.

First of all let me tell you I am an American first last and always.

Also I am a Protestant from the crown of my head to the soles of my feet.

I believe every one has the right to worship the Lord as they see fit.

As long as they don't tell me what to do I respect their Religious freedom. Is that plain?

I also am opposed to exposing the private life of Politicians. Their Public life belongs to the Public.

If a Mans Public life is strait it won't be long until his private life will correspond.

What I have been pleading for these long weary years (may be 15 years) is a Gigantic Clean Up in Dirty Stinking Rotten Lousy Politics.

Isn't it strange when I even mention a Clean Up everybody gets the jitters.

Strange now I never get the jitters concerning a Clean Up in Politics.

Shall I tell you why??? I am strait as a die I receive no pay no juicy plums. Just big kicks and abuse of all kinds.

Now then shall I tell you where the real Headquarters is for the National Vice Ring?

Right in the Vatican with that hot bed of Political Crooks and the Man of Sin.

Now Mr. Niles I want you to show this to Mr. Truman. Cross and Flag say you ensor his mail so I write direct to you.

If you don't let him see it I will know about it.

I want to warn him of his danger.

My specialty in Politics is Political Secrets.

The Political Crooks in the National Vice Ring want him to die.

Then they want to push the crime on the Old Gaurd Republican Party. Say Mr. Niles nothing doing. I won't have it. I can't prevent the crime but, I can warn Mr. Truman.

Now if you are a good American Citizen you will show this letter to Mr. Truman.

All Wars are hatched in the Headquarters the damnable Vatican.

The National Vice Ring has a supposedly ??? unbreakable backbone.

I put a good size crack in the backbone in 1940. Can't ever be healed. That backbone is the damnable Liquor Traffic. All orders for assasinations come direct from the Vatican. Is that plain???

Tell Mr. J. Edgar Hoover to do his best in giving protection to Mr. Truman and tell him I said no more is required.

Mr. Niles I feel so worried.

Tell Mr. Trueman I want a stop put to the brutal inhuman treatment of the poor German people. Also the poor Japanese.

They are just Goats all of them. The old Kaiser was well paid for his Dirty work and the Man Hitler was well paid for his performance.

Also I want that damnable illegal Income Tax bust once and for all. That is what paid for the World Slaughter II and the arms airplanes etc for Foreigners.

Thank you
