Dear Mr. Trump:

Three years ago, I announced the formation of The President's International Youth Exchange Initiative, a joint effort of the private and public sectors to promote mutual understanding among our young people and the young people of our closest allies: the United Kingdom, the Federal Republic of Germany, Japan, France, Canada and Italy. The original "trial effort" has since been expanded and now includes 30 countries worldwide.

The President's Council has been instrumental in promoting the Initiative. I would like to extend my personal thanks to you for your generosity in supporting this worthwhile program. The four million dollars pledged by Members of the President's Council have permitted over 12,000 young people to benefit from an international experience. Giving these young people the opportunity to visit a foreign country and live with a host family is one of the most effective ways to build bridges of understanding among future generations.

Thank you for all you have done for the Initiative over the past three years.

Sincerely,

DONALD TRUMP

RE: THANK-YOU LETTER TO MEMBERS OF THE PRESIDENT'S

Charles Wick has requested that the President send thank-you letters to all the members of the President's International Youth Exchange Initiative. I would appreciate your review of the attached draft letters.

DRAFT FROM
USIA

Dear Steve: -

Three years ago ~~today~~, I announced the formation of The President's International Youth Exchange Initiative, a joint effort of the public and private sectors to promote mutual understanding among our young people and the young people of our closest allies. At that time, the Initiative focused on increasing exchanges of young people between the United States and our Economic Summit partners, the United Kingdom, France, the Federal Republic of Germany, Japan, Italy and Canada. The original "trial effort" has since been expanded and now includes 30 countries worldwide.

Your special efforts as Chairman of the Program Committee of the President's Council have greatly contributed to the success of the program. The four million dollars pledged by Members of the Council have permitted over 12,000 young people, who would otherwise not have had the opportunity, to benefit from an international experience.

Your personal commitment has helped allow young people to come to the United States to live with an American family, and enabled our youth to go abroad. This experience is one of the most effective ways to build bridges of understanding among future generations.

Steve, Charlie Wick has told me you were one of the masterminds of the Initiative and were very instrumental in getting the project off the ground. The time and energy you personally devoted to Youth Exchange will be long remembered. Thank you for your contribution.

Sincerely,

Ronald Reagan

SUBJECT: President's Council for International Youth
Exchange: Thank you letter from the President

The formal life of the President's International Youth Exchange Initiative will end on May 25 as was originally planned three years ago. Attached (Tab 1) is a summary of the accomplishments of the Initiative to date.

The President's Council for International Youth Exchange has performed a great service to the Youth Exchange Initiative by raising over \$4 million dollars from the private sector to supplement the U.S. Government funds.

It would seem appropriate for the President to thank the members of the Council for their contributions. Attached (Tab 2) is a thank you letter from the President to the Council as well as a list of the Council's membership. Personalized letters to Coy Eklund, Chairman of the Council, and Stephen Rhinesmith, Chairman of the Program Committee of the Council are attached (Tab 3). Messrs. Eklund and Rhinesmith have both been extremely valuable to this program.

I am also requesting that a signed photograph of the President be sent with the letter to each member of the Council as a special memento.

Thank you for your assistance.
