Dear Jimmy:

Many thanks for Issues of the Eighties! I am pleased that you have shared this with me.

The good Lord has blessed this nation with His grace and providence; not a day passes without my asking His continued mercy and guidance. I am very grateful for your support of my efforts to restore our cherished values and, most especially, for your prayers. It is such intercessory prayers that strengthen my resolve and my conviction that America's best days are yet to come.

Again, my thanks and God bless you.

Sincerely,

RONALD REAGAN

The Honorable Ronald Reagan
The White House
Washington, D.C. 20500

Dear President Reagan:

Recognizing and respecting your consistent, career-long commitment to morality and decency, sir, I wanted you--along with Vice-President Bush and Attorney General Meese--to be among the first to receive our just-released Issues of the Eighties, a copy of which is enclosed. We intend, with God's help, to place this Christian activist's manual in some 100,000 American homes in the coming weeks, and I pray and believe that it will be a valuable force for good in this most blessed of lands.

Before I close, please allow me to take just a moment to thank you for your afore-mentioned dedication to the traditional values upon which this country was founded. God truly has shed his grace on America, and I sincerely appreciate--as a citizen and as an evangelist--your strong stands on behalf of morality. Your dedication to bedrock principles is no better demonstrated than with your concern for the unborn, and I want you to know that you are in my prayers daily.

Again, thank you, both for your time in reading this and for the job that you are doing. May God bless you in your service to America.

Sincerely,

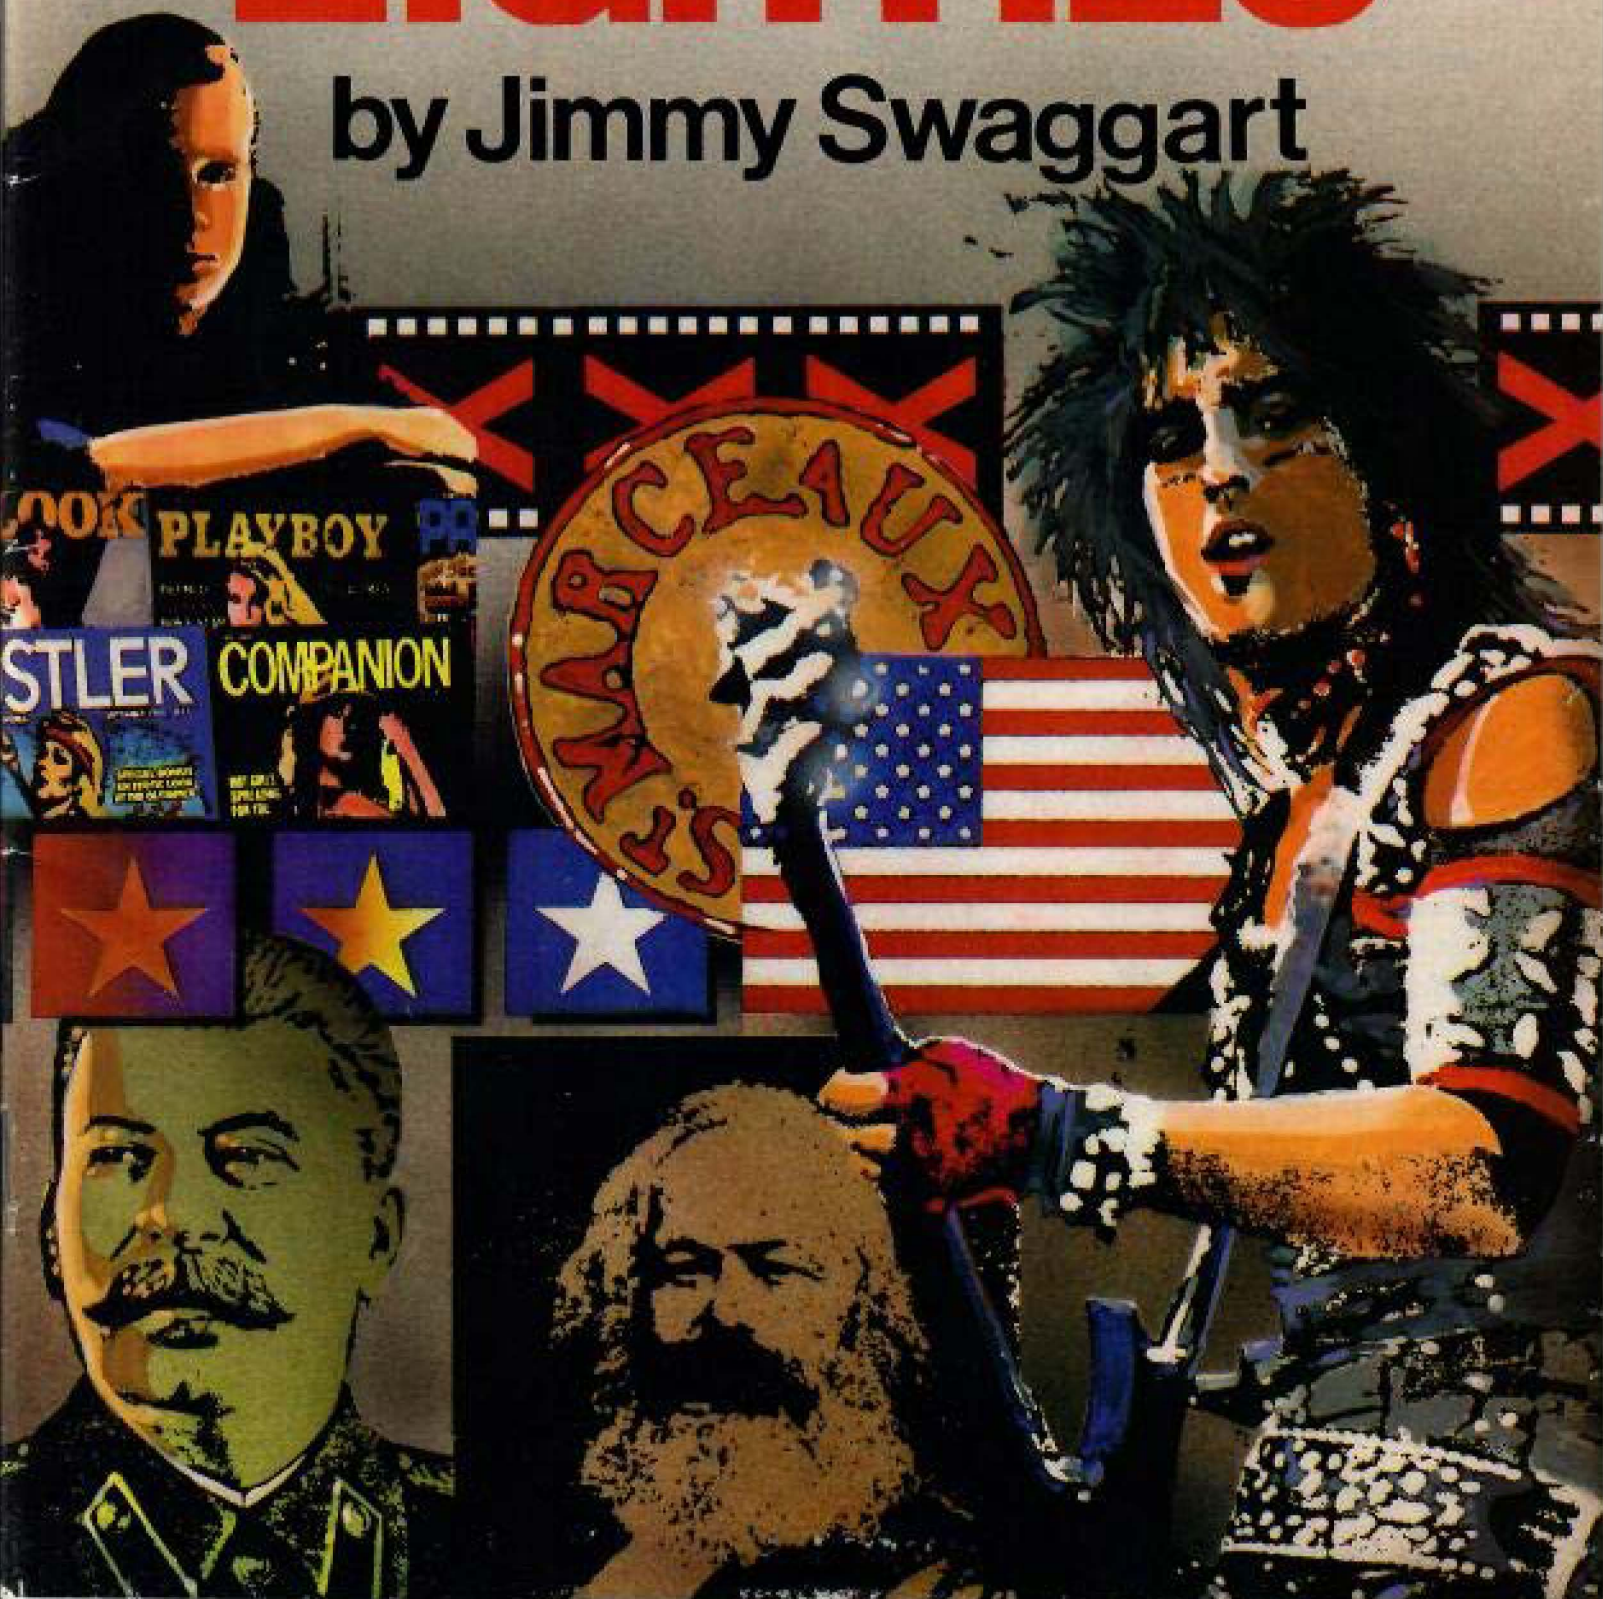

Jimmy Swaggart

to whom it may concern;

The president requested A reduction in the tax credits shortly After He was shot.

I Assume that the president's Assistant WAS A victim of Religious deprogramming.

According to "The Cult Experience", Ch 3.

Religious deprogramming is described AS Kidnapping, followed by psychological warfare tactics and finally being forced in complicit to manage one financial Affairs, in order to defraud the US treasury. What the President finds to be in the Best interest of His personal safety is also in the Best interest of my children safety, because my estranged spouse is A victim of religious deprogramming also.

I Assume that the president would be most interested in seeing my request for legal services carried out and would direct Evergreen legal services, Washington states Legal Assistance Foundation Agency to respect my request for legal services. Please see enclosed photocopy.

To Whom it may concern;

There has been no change in my financial circumstances since my letter on 28 Aug, concerning Abatement of Welfare Payments in order to attend my religious observances.

Since the state of Washington insists that it is destitute, and its destitution enforces Penance one must expect the Citizens to relinquish some of their tax credits to avoid AN IN SANCTION. I therefore request that you petition the Federal Bench to reduce the number of tax credits in order to ASHURE ALL C. that there will be no further Penance state of the Union.
