Scope and Content Note

Note:

OA's 13775-13779 were sent to the White House Office of Records Management marked as 1985 Social Office Files, Linda Faulkner. Linda Faulkner returned to the Social Office in September, 1985 and Gahl Hodges was the Social Secretary for the majority of 1985. We assume WHORM made this error since Linda Faulkner retired the records. We have reassigned OA's 13775-13777 to the Gahl Hodges collection. Five folders at the beginning of OA 13778 were also created by Hodges but have remained with the Faulkner collection.
