### **Scope and Content Note**

#### **Scope and Content Note**

The files of Susan Phillips consist of telephone message logs (April 1987 to August 1988) and daily planners (1987 and 1988). The logs and planners reflect the calls and appointments of Susan Phillips, and to a lesser extent, other staff in the office. The discrepancies in the chronological order of the logs are due to secretaries

keeping more than one log at a time. No working files were kept in this collection.
