### **Biography**

## **Biography**

Linda Faulkner was the Assistant Social Secretary from January, 1981 through February, 1984. She left the White House for nearly two years to run her own public relations firm. She returned to the Social Office and was Social Secretary from September 1985 through the end of the administration. This collection covers the entire work span of Ms. Faulkner and her two different job titles and functions.

## **Scope and Content Note**

### Note

OA's 13775-13779 were sent to the White House Office of Records Management marked as 1985 Social Office Files, Linda Faulkner. Linda Faulkner returned to the Social Office in September, 1985 and Gahl Hodges was the Social Secretary for the majority of 1985. We assume the White House Office of Record Management (WHORM) made this error since Linda Faulkner retired the records. We have reassigned OA's 13775-13777 to the Gahl Hodges collection. Approximately 8 folders at the beginning of OA 13778 were also created by Hodges but have remained with the Faulkner collection.
