Folders noted as "Open" may still contain closed material due to Freedom of Information Act restrictions. Most frequent withdrawn material is national security classified material, personal privacy, protection of the President, etc. Folders noted as closed are subject to Freedom of Information Act (FOIA) requests under the provisions of the Presidential Records Act (PRA).

If you are interested in submitting a FOIA request for access to any of the unavailable records or have any questions about these collections or series, please contact our archival staff.

Copyright

Documents in this collection were prepared by federal employees and appointees of the United States government as part of their official duties. This material is in the public domain. Researchers are advised to consult United States copyright laws (Title 17, USC) governing reproductions of copyrighted material.

Record Type

Textual

Scope and Content Note

Robert Earl's entire collection consists of material confiscated by the FBI and the Iran-Contra Task Force for the Iran-Contra investigation. Boxes have various numbering schemes instituted by various searches, confiscations and FBI notations. Folder titles usually identify the material within and also where it was found at the time it was seized. The Library has superimposed a simplified numbering scheme for this material.
